Studies show that eating breakfast at school:

- Improves classroom performance and yields better test scores and grades
- Increases children's ability to focus and concentrate on school work
- Decreases disciplinary problems, tardiness and visits to the nurse
- Increases attendance rates

Students who eat breakfast are healthier, happier, better behaved and more productive throughout the school day. Students who eat breakfast meet the USDA requirements and are supplied 1/4 of the daily allowances children need.

If you receive a notice for one child in your household, but not another, you must contact food service to verify that all children in your household are approved. If you apply and don't receive a notice within 5 days, contact the food service department at 740-670-7446.

You must pay for or pack your child's meal until you are approved. Any meal charges made prior to approval must be paid.
