

Miss Boham's News

Parents and Families,

We have our Chapter 2 Social Studies Test on Thursday. It is critical that your child studies in order to do well on the test. Studying was not required in 2nd grade so this a transition for most students. I appreciate your support during this process. ☺ Remember to upload your contact information onto the app “Remind” to stay updated on important events in our classroom! I have attached the new Reading Log for the week.

Week of September 15th:

Reading – Students will continue identifying character traits. Students will also answer text-based questions by providing evidence from the story.

Social Studies – Students will finish Chapter 2: Communities of Different Sizes. Test on Thursday. Students should use the study guide for review.

Math – Students will relate arrays to tape diagrams to model the commutative property of multiplication.

Writing – Students will begin “Planting Seeds”. Planting seeds allows students to brainstorm writing ideas for the future.

****This is a tentative schedule. Please check your child’s agenda daily for Homework****

M: -Math Lesson 15

-Read for 30 min. (complete 1 reading log entry)

T: -Math Lesson 16

-Read for 30 min. (complete 1 reading log entry)
