

IN DISTRICT SCHOOL TRANSFER REQUEST – To NCS DIGITAL

I understand that it is my responsibility to ensure prompt and regular attendance. If this transfer is granted, your child will remain @ NCS Digital without reapplying year to year. If you wish to return to the school in your attendance area, you must reapply. The transfer request deadline is July 31st for the upcoming school year and December 1st for second semester. Please note: your student will be required to report in person for all testing and assessments required by the district and the state (the assessment calendar can be found on our website www.newarkschools.us under the parent tab). If you are requesting a transfer outside the transfer window, please attach additional information.

School Year _____

(Please Print)
