FY:2022-23 Carson

Please list plan/activities with a brief explanation below.

****Please note, if these change during the school year, you will need to update this sheet.**

1. Explanation:

Pirate Themed Title Night	September 29, 2022- Families will join the title staff for a pirate themed evening. This event will include stations with activities focusing on phonics, reading and writing. There will also be stations with math activities. Families will receive make and take phonics activities and math games.
---------------------------	---

2.

Holiday Themed Title Event	December 15, 2022- Families will join the title staff for a holiday themed event. Families will enjoy snacks provided by the title staff, enjoy an interactive read aloud with Mrs. Elwell and Santa Claus. Families will receive comprehension resources to use when reading at home with their children (the comprehension questions will be modeled during the IRA). We will also have caroling, games, and every family who attends will receive a copy of the IRA.
----------------------------	---

3.

Grandparents Pancake Breakfast	January 19, 2023- Grandparents will join students at school for a pancake breakfast. Mrs. Elwell and the title team will present ways family members can support their students at home during reading. We will discuss of exposing students to a variety of books and reading together. We will also talk to families of intermediate students about tips for testing and preparing for the AIR tests. Family members in attendance will receive resources to take home and use when reading with their grandchild.
--------------------------------	--

4.

Zoo Title Event	April 20, 2023, 4:30-5:30- Families are invited to attend an educational event with The Columbus Zoo. The focus of the program will be on animal habitats and conserving these habitats. Students and family members will get a chance to see several animals and learn more about the importance of maintaining their habitats. All families in attendance will receive an informational book featuring animals and their habitats.
